Abandonment due to failure to respond to March 20, 2007 Notice of Defective Response

MS. CAMPBELL:

This is in connection with our telephone conference earlier today. Thank you for taking the time to speak with me. I mentioned that a Notice of Abandonment has not been received. I noted to you that a Response was not filed for the March 20, 2007 Notice of Defective Response, having a due date (with all possible extensions) of **September 20, 2007**, as my client decided to drop the subject US Patent Application No. 10/568,632.

You indicated that I should forward a facsimile to you, reflecting our telephone conference, and confirming that my client wants the subject US Patent Application No. 10/568,632 to be abandoned. Thus, this document is the facsimile confirmation, and hence, it is respectfully requested that you forward the Notice of Abandonment for the subject US Patent Application No. 10/568,632.

Respectfully submitted,

By:
